

FIRST FLIGHT SOCIETY 111th CELEBRATION OF THE FIRST FLIGHT FRIENDS OF THE FIRST FLIGHT SOCIETY SPONSORSHIP OPPORTUNITIES

Sponsors underwrite many of our activities and programs throughout the year, including December 16th and 17th, and in the everyday operations of the organization. This allows First Flight Society to be stewards of the Wright Brothers' Legacy, and expanding our programs in aviation and aviation education. Sponsors are undeniably a major part of what makes First Flight Society work. You, our Sponsors and Contributors, make our Programs happen! Thank you! We welcome your support of the Wright Brothers' 111th Anniversary of Powered Flight as well as programs throughout the year including Wilbur's Birthday Celebration, the annual Art Contest, National Aviation Day and educational programs.
