Dear John:

We were delighted to have you and your sons here to help us celebrate the 75th Anniversary of the Wright Brothers' first flight. I hope you will all be able to come down some time when we are not so busy, so that we can become better acquainted.

I am enclosing a list, prepared for us by your father, of the Wright relatives. If there is any other material relating to the 75th Anniversary or the Wrights, that we have that you would like, please let us know.

Sincerely yours,

William A. Ries
